## FAMILY PLACE LIBRARY WORKSHOP RETURNS

Interest cards are available now for the fall session of “1-2-3 PlaySmart,” our semi-annual series of parent-child workshops offered as part of the [Family Place Libraries™](#) program. Designed to support the essential role of parents as first teachers, the 5-week series invites parents to play one-on-one with their toddler in a specially-designed environment that offers them the opportunity to meet other parents and learn best practices in nutrition, health, literacy, and child development from community experts while interacting with their child. The series is designed for children age 18 months to 3 years.

Unlike storytime, “1-2-3 PlaySmart” is not a drop-in program. Families who wish to participate must **fill out an interest card at the library by September 7** for the series that begins Sept. 21. Those selected to participate will be notified by Sept. 9, and are asked to commit to attend at least 4 of the 5 sessions on consecutive Wednesdays, Sept. 21 - October 19 from 10:30 to 11:45 a.m.

For more information please contact Public Services Manager Cate Sweeney, [csweeney@beecavetexas.gov](mailto:csweeney@beecavetexas.gov).

This project is made possible by a grant from the Institute of Museum and Library Services to the Texas State Library and Archives Commission under the provisions of the Library Services and Technology Act. (2016).

## NEW PARENTING COLLECTION AVAILABLE

Check out our new Parenting Collection, located in the corner of the Children's Area, where you'll find resources on everything from pregnancy through preschoolers. Many of these titles are also available in e-book format on [OverDrive](#) as well. (Parenting books for older children and teens are shelved in the regular adult non-fiction section.)

The parenting corner also includes selected picture book titles that offer parents a way to discuss sensitive topics with their child like grief, illness, anxiety, etc. The bottom shelves will house a rotating collection of toys where our young patrons can “learn through play.” All of these additions to the library space are part of our effort to become accredited as a [Family Place Library](#).

Have you tried any of our digital resources yet?

We have e-books and audiobooks on OverDrive and OneClickdigital! Just download the app to your phone or other device, and get started today!
